

Children's Epilepsy Pathway

Project aim

To improve the quality of care and support given to our children and young people (CYP) with epilepsy, their families and carers. To better ensure seamless care from community to secondary care.

Project team

Dr Nick Cholidis, Fiona Lodge,
Elizabeth Eddershaw, Patrick
Rudge & Helena Wilson

Timeline for delivery

From April 2019 To: September 2019

Measures

Patients: This will improve the level of support they receive

Pounds: Enable us to meet BPT for 2020

People: Improve our resilience and knowledge around epilepsy care in the team
