

Purple Flag

Supporting and protecting the student
experience across UHD

What is a Purple Flag?

The Purple Flag is a new system to raise an urgent alert to the BEAT Student and Preceptorship Support Team about placement & learning quality.

Who can raise a Purple Flag?

Anyone can raise a Purple Flag if they have an urgent concern about student supervision, placement quality, or the learner experience.

How does it work?

The BEAT Student and Preceptorship Support Team will make an urgent visit to the placement area or learner to address the concern quickly and discretely.

Raise a Purple Flag through the BEAT Intranet Page
