

Keeping Everyone Safe

as we welcome visitors back to our wards

Self Check Before Entering:

- Are you the named visitor?
- Face coverings **MUST** be worn at all times (if you have not got one with you - please tell us - we will provide you with a face mask)
- Wash or sanitise your hands often - **MUST** do so before entering the ward and on leaving
- Take off coats and roll up sleeves
- Keep your distance - 2 metres apart

Report to the Desk:

- Provide your name and ensure we have your contact details
- Wait to be shown/directed to the patient you are visiting

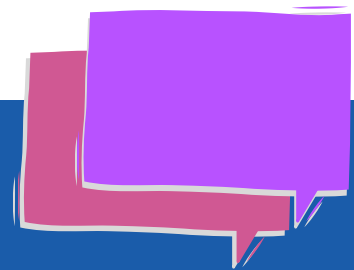

Leaving After Your Visit

- Please ensure you wash/sanitise your hands
- Please leave the building as quickly as possible

Let us know how your visit went!

You can tell the staff, write to us, or complete an online survey - www.bit.ly/VisitingSurvey

We want to know if you have any worries or concerns - please ask to speak to the Ward sister or matron. Alternatively, contact PALS:
